

### Storyboard Overview

## 1. Login

### Login

A light blue rectangular box with a black border represents the login form. Inside the box, the text "Welcome!" is at the top. Below it, the label "Username:" is followed by a white rectangular input box. Underneath the input box is a grey rectangular button with the text "Log In". A purple arrow points from the "Log In" button to the right, towards the conditional logic text.

- Username Box is initially empty
- "Log In" Button will give an error message if user does not exist

If "Admin" then go to: 2  
If <Username> go to: 3

## 2. Admin Sub-System

### Admin Sub-System

[illegible]

- Do not allow Admin to add users with the same name
- Do not allow Admin to delete "Stock" user if displayed

Go to: 1
